#### REMINDERS, HELPFUL HINTS & QUESTIONS TO ASK YOURSELF

- ✚ **Have survey x-rays completed before you enter your horse to any sale**
- ✚ **Do a realistic budget, are you 100% happy to spend money on the process verses the possible sales price**
- ✚ **Make sure your horse is branded & microchipped prior to arrival to our farm**
- ✚ **Have a regular worming treatment program**
- ✚ **Watch out for tail chewing, crib ox will be your best friend! Nothing worse than a lobbed off tail!**
- ✚ **Consistency & accuracy with your feeding regime**

We genuinely want to help you to have a successful sale, if you have questions or need help, please pick up the phone and call today!

You have put too much time, money & effort into producing a product that you believe in, do not leave any stone unturned!

We are a family owned & operated farm, where the horses come first 7 days a week!

*Kind Regards,  
Frank, Emily & our dedicated staff*
